

World Youth Skills Day – 15 July 2026
Acceptance Note from
Dr Mahavir Singh
Fellow of Eminence of W-AHEAD Awardee

Honoured to Receive the Prestigious “Fellow of Eminence” from W-AHEAD.

I am deeply humbled and honoured to receive the distinguished title of “Fellow of Eminence” from the World Academy of Higher Education and Development (W-AHEAD) on the occasion of **World Youth Skills Day 2026 organized at IIC, New Delhi on 15th July 2026.**

This recognition is not merely a personal milestone, it is a tribute to the collective efforts of my mentors, colleagues, students, collaborators, and institutions that have been an integral part of my journey over the past three decades.

To be acknowledged for contributions to Acoustics, Noise and Vibration Engineering, Scientific Research, Innovation and Higher Education is both a privilege and a profound responsibility. It reinforces my commitment to advancing science, nurturing young minds, and promoting excellence in education and research for the betterment of society.

I sincerely thank Prof. P. B. Shama, Dr. P. R. Trivedi and the entire W-AHEAD fraternity for this esteemed honour and for their continued efforts in recognizing and celebrating academic and scientific excellence globally.

As we stand at the crossroads of rapid technological transformation, I firmly believe that the future belongs to those who combine scientific rigor with visionary leadership, innovation with integrity and knowledge with service to humanity.

“Awards recognize past contributions, but they also inspire greater responsibilities for the future. Let us continue to build a world where science serves society and education transforms lives.”

My heartfelt gratitude to everyone who has been part of this remarkable journey.

With humility and renewed commitment, I dedicate this honour to the global scientific and academic community.

— Dr. Mahavir Singh
Principal Director, KIIT, Gurugram
Former Chief Scientist, CSIR
